Larry's Thoughts for the Month

Is anyone else glad January is over? The snow we got stayed around because of the bitter cold temps. Today is the first of February and it already looks better. Monday it's supposed to get into the 50's. The rain yesterday washed the salt off of the road so I'm hoping to get out for a short ride. Full riding season will soon be here so come out for the gathering/ride meeting and get your ideas in.

Woody has already posted some rides on the calendar, one is our Bunny Run to Hoffman Homes. This is always fun to see the reaction of the kids receiving a stuffed animal. Woody also has all of the Kinetic Multisport dates on the calendar. The Perryville and Marshman dates are the two we need the most help on. So get signed up early.

I'm sure there will be plenty of rides this summer and it would be great to see everyone join in. Weather it's 2 wheels, 3 wheels or 4, come on out. We always have fun. If you get out to ride be safe.
