NEWS from the CHAPTER DIRECTOR

Hello all,

Although the weather has not been cooperating, I hope some of you have been out riding. I've been traveling for work, so no riding for me yet.

It has come to my attention that there was a discussion about the happenings with Wing'd rider. We will discuss this again at our next meeting. I'd like you all to think about this: everyone keeps trying to recreate what we had with GWRRA, but through all of the changes what were we left with? We are left with our small local family. We do not need to be a member of a large organization or their politics to continue gathering and having fun. That being said, **Eagles Wings** does have some interesting things to offer.

Check out Eagle Wing's website and video (*to the left*) if you have not already: https://ewma-world.org/content.aspx?page_id=0&club_id=719997

I'm not certain what the correct path forward is, but we will take a vote at one of the future meetings to determine what the membership wants. What the majority decides, we will implement as your leadership team. Current memberships with Wing'd rider will run until September, so we do not have to make an immediate decision. We will discuss this more at our next meeting and I will communicate with you in advance when we decide to hold the vote.

Our next meeting will be this Saturday (5/10), at the Safety Shine and Swap, breakfast and lunch will be served please be sure to visit the calendar for the details and to sign up.

See you there.

Larry's Thoughts for the Month

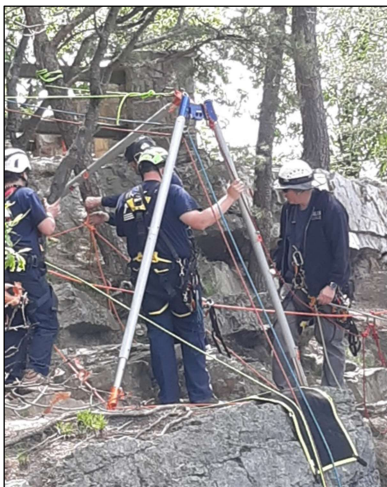

Well, we finally have a nice day to ride. I rode to Chickies Rock Park and met a friend. When we walked out to the overlook they were doing a rescue of someone who had fallen. We watched as they brought him up. After he was up like a big dummy he fell again, and they went back down and brought him back up again. Just kidding, they were doing rescue training but it was interesting to watch. And it was a dummy.

Last Friday I met up with Woody and Jo for a ride up to King's Bakery. Before getting to King's, we stopped in Blain and had lunch at the Blain Restaurant and Hotel. The restaurant is owned by the granddaughter of the folks we rent the cabin from when we go hunting. Next door is a small Amish grocery store that has a little bit of everything. Woody and Jo came out with 2 bags of goodies and sweets. Then we headed to King's, and if you have ever been there, you know it's full of goodies. I only got a half dozen donuts and 2 small cinnamon cream cheese cupcakes. I think Woody and Jo came out with 2 more bags of sweets. So, if Woody looks just a bit heavier you know why.

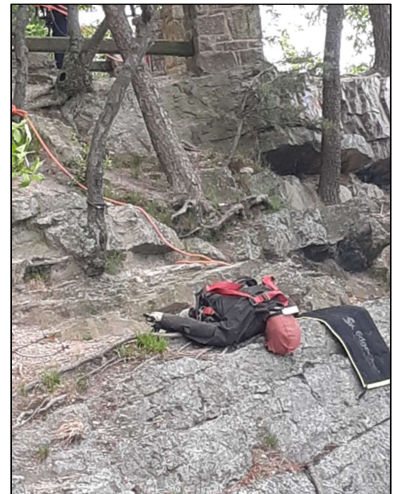

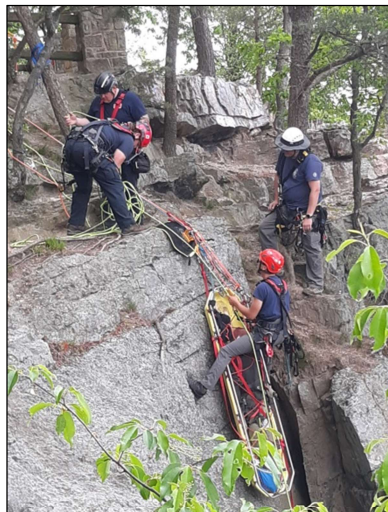

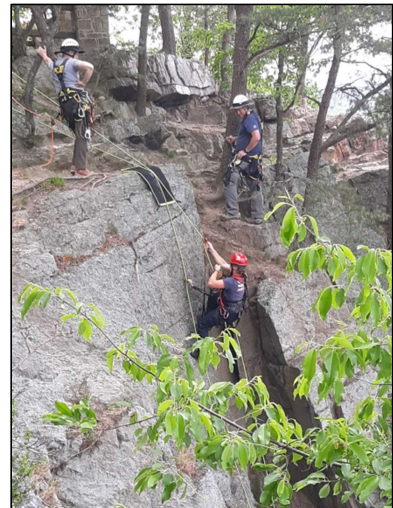

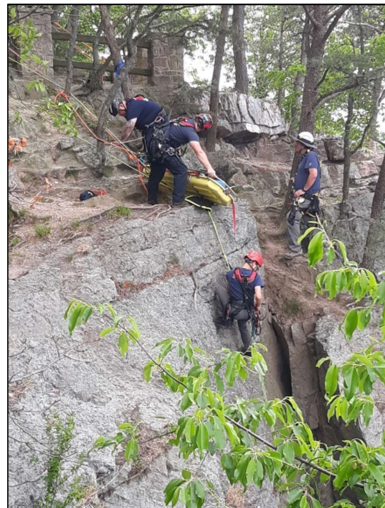

Coming home, we split up after going through Carlisle and I was thinking where I could stop and get ice cream. Then I think DUH I have plenty of goodies in the trunk. I hope Woody and Jo enjoyed the ride as much as I enjoyed their company.

So, get out and ride even if it's a few miles for something to eat or ice cream. Enjoy the open road and ride safe.

Ride safe. Larry
