NEWS from the CHAPTER DIRECTOR

I want to start by saying Brenda, I'm glad you're feeling well enough to do the newsletter again. Hope you continue to heal and get back into full swing.

For those who may not have heard or seen, PA now has an EWMA District Director. Our own Mike Prince has stepped up to be the PA District Director. I know Mike will build a great team and bring some good ideas to the members. Congratulations Mike.

At the last meeting I asked Matt if he'd like to do a breakfast ride to a place I wanted to check out. Mike overheard us talking and called the next day and said he'd join us. So while waiting for those guys that morning Bruce called and said he was coming. There is a story with Bruce arriving, but you have to come to our next meeting to hear it. We went to Becky's Kitchen in East Prospect, a unique place that I hope to have morning meet n eat at. After that, we stopped at a motorcycle shop and then just did a couple of hours of riding some back roads. Then Tuesday, the 31st Mike had some business in Hagerstown, MD and asked if I wanted to ride along. DUH. Then I said something to Matt and the three of us had a beautiful day to ride.

FYI, both rides ended with a stop at York Street Treat.

By the time you read this our Bunny Run to Hoffman Home will be over. I hope you were able to join in and I know you had a good time. And just like ALL of our rides it's 2 or 3 or 4 wheels. We want everyone to come along.

At our next meeting we should have a lot of our rides on the calendar. Mike is going to bring his laptop to help show us how to navigate the new calendar. He will use the tv screen in the room so everyone can see. Hope you can be there.

Get out and enjoy the warmer weather and always stay safe.

Welcome Mike Prince as Pennsylvania District Director

We had a wonderful welcome of Mike Prince to Eagle Wings Pennsylvania District Director on March 25!

It was exciting having our new District Director accept the oath of office. He is looking to enthusiastic EWMA members who want to spread the fun of socializing, fun of riding, and fun with safety! Those of you who have a long-time friendship with Mike know he has always arranged fun activities and events.

I can proclaim that all the members I have met in the Pennsylvania district and beyond has been a fantastic experience. The joy I have found in EWMA isn't a burden of rules, it is a fun group, fun times, and fun to look forward to. So, if you're available, know Mike (or would like to know a great guy), give him a shout-out. But be prepared to have a HUGE AMOUNT OF FUN!

Thank you Mike for agreeing to help me and the members participating in Pennsylvania.

Riding season has started in many parts of Region G - about time! Inge, me, and several of our EWMA family have gotten out for some nice (I'm being really kind with "nice") back road rides. We've had to be careful, the road conditions are showing the rough winter we had to endure this winter. Pennsylvania has always been noted for their potholes, but this year they can swallow a 18 wheel semi! Talk about safety, on 2 wheels it is a challenge and on the trikes it is a demolition course maneuvers event. So, when riding with your friends (family), be a little more patient for our trike riders. We want them to enjoy the ride and the companionship.

I want to thank Marty for his assistance with this month's Dispatch. He helped me clarify information in this month's news. If you want to reach out to help create a better Dispatch, please do. If a subject could be improved to help our participating members (everyone who supports EWMA is participating - Chapter Life support is the frosting), I would love to communicate better.

There is an increase in the membership dues July 22nd, 2026, but check out the Dispatch for your opportunity to renew now at the current membership dues amount. There are also changes for friends who have forgotten to renew. Life gets busy and time escapes us. Now they can renew without having to cover the months (or years) they missed. Show them the Dispatch (printed out or forward it to them) and let them know the Directors will be happy to help them.

Inge and I are looking forward to the Massachusetts Ride-In! Seeing those we met at the Rendezvous (Green Bay and Ft. Smith), at the kickoffs of MD-DE District, the MD-DE Chapters, PA-V's kickoff, and Mike Prince's District Director announcement. Then there is just the riding we've done with some of you.

If you've been wondering - Rendezvous Sharonville Ohio has 13 confirmed vendors and growing! I'm going to be purchasing some things there. I've had a blast shopping at the Rendezvous (not so much my wallet LOL) from Knoxville - Ft. Smith!

Well, I better get this emailed - so you can see the exciting news and fun page Word Search!

HELLO Everyone

On April 4th Woody & Jo lead us to **Hoffman Home** to give all Boys and Girls a stuff animal. We had a small group of members, but everyone made sure each and every one would receive animal. All the smiles were a special welcome, plus each one made a special card, painting, or drawing, the wording on each one was amazing. The weather this year was perfect.

Woody & Mike had to repeat this is our 15th year, it's that wonderful. We had the best time; we talk to all of them plus sing Happy Birthday.

I WANT TO THANK EVERYONE, WHO TOOK TIME OUT OF THERE DAY TO HELP. My Good Friend Heather loves to see the joy and love, happiness on all of them.

Bruce Deb, Mike & Shirley, and Larry went to

DE-A SPAGHETTI/BINGO DINNER

on March 21st. Ken & Lois put together a nice get together, it was great to talk to a lot of members that you haven't seen for a long time. They also had an auction with lots of food items. Of course there was a Pineapple upside down cake, Mike had walked outside when the bidding started, by the time he came back in (gone) \$25.00. Well, he said he would give her more for the cake. NOPE! It's mine. So, I will give you a piece, of course Mike NO! She felt sorry for him and gave him half of the cake.

We had a good time and a lot of laughs.

Shirley Prince
