NEWS from the CHAPTER DIRECTOR

Well, I had to turn my heat off this morning so my AC guy could do the yearly inspection, lol. The weather has been really crazy this spring. The nasty weather caused our ice cream ride to York Street Treat to be postponed. It has been rescheduled for May 6th. Dairy Queen has also been added for May 13th.

Our Safety Shine and Swap will be a little different. It will be at Bruce and Deb's home this year and we have added a chili cookoff. So bring your best chili recipe to share. We'll also play some games and probably go for a ride and get ice cream.

All of the Kinetic flagging events are on the calendar. We need everyone that can help to sign up on the calendar or let Mike or me know as soon as possible. This will give us time to look for any outside help we may need. You all know these are our biggest fund raisers.

There is still plenty of time to sign up for the Eagle Wings rally in Sharonville, Ohio. The dates are Sept 3-5. Mike and Shirley and I are already registered to go. I had a great time at last year's rally in Arkansas, and this year it's a lot closer to home. All of the info can be found on the Eagle Wings website: <http://www.ewma-world.org>.

The days are getting warmer and longer so get out and ride. If you don't ride come in your car to anything we are doing, we always enjoy seeing our friends. Stay safe and see you at the next meeting.

EWMA Region G Dispatch
Volume 3 Issue 5

Welcome Riding Season 2026!

It has been an up and down April. The temps have been 3 days with high 80° and then 4 days with high 45°! But the trees and bushes have been sprouting the spring colors. I actually have had to mow the lawn too.

I have to state I'm anxious to travel to Massachusetts for the Region G Ride-In, May 16-18. It's been ages since I was on open water larger than a lake. Being raised and living in Florida, it was a weekend ritual to load up my scuba gear, meet up with a friend (never dive alone), get the boat in the water, and head out to an ocean reef for a day of diving. Lobster season always meant a Surf & Turf dinner. If we were lucky we would see a pod of dolphins (some call them porpoises). They are playful - yep, they do jump out of the water when their playing! I'm hoping we see some playful whales.

Don't forget. . . .

There is an increase in the membership dues July 22nd, 2026, but checkout the Dispatch for your opportunity to renew now at the current membership dues amount. There are also changes for friends who have forgotten to renew. Life gets busy and time escapes us. Now they can renew without having to cover the months (or years) they missed. Show them the Dispatch (printed out or forward it to them) and let them know the Directors will be happy to help them.

I want to thank the many of you who have taken advantage of the current membership rate and renewed. Your membership is more than being a member, it is a very valuable benefit to all Eagle Wings members. With a robust membership, we are valued by corporations providing us benefits - motorcycle, traveling, and more. So, THANK YOU FOR THE BENEFITS I ENJOY and I hope you have used.
